THE FUTURE OF BAY WALK

**THURSDAY
NOVEMBER 7TH
AT 7PM**

**PORT WASHINGTON
PUBLIC LIBRARY**

Residents For A More Beautiful Port Washington (RFMBPW) will host a public meeting in conjunction with their annual meeting on “The Future of Bay Walk.” RFMBPW invites anyone with an interest in the expansion of this greenway trail to join us on Thursday evening, November 7th at 7PM at the Port Washington Public Library.

Port Washington North Mayor Bob Weitzner, the keynote speaker, will present schematic designs for phase II of Bay Walk, “Bay Walk Park,” a passive park along Bay Walk that will include a kayak launch area into a lagoon, shade sails and bicycle racks.

Please join us and learn how this greenway will link recreational, cultural and natural features of Port Washington, providing pathways for people and improving quality of life.
