BILL 3 of 2015

Chapter 162 VEHICLES AND TRAFFIC

Section 162-6. No parking during and after snowfall Purpose.

The Board of Trustees of the Incorporated Village of Port Washington North does hereby find that an emergency exists at any time snow is permitted to accumulate on the streets of the Village of Port Washington North and that certain acts and omissions of the inhabitants of the Village impede the removal of snow. It is further found that such acts and omissions, by impeding the removal of snow from the streets of the Village, also impede the provisions of fire, police and ambulance service to the residents of the Village and impede the provisions of other necessary services to Village residents. For the above reasons, the Board of Trustees of the Incorporated Village of Port Washington North enacts the following provisions.

- A. It shall be unlawful for any motor vehicle (as that term is defined in the Vehicle and Traffic Law of the State of New York) to be parked or otherwise left unattended on any public highway and/or street upon declaration of a snow emergency by the Mayor. A snow emergency shall be deemed to exist whenever three inches of snow or more falls, as measured by the United States Weather Bureau.
- B. No motor vehicle shall be returned to the public highway and/or street until the public highway and/or street has been plowed by the local municipality.

Effective date of this local law shall take effect upon filing with the Secretary of State.

PLEASE TAKE NOTICE that the Board of Trustees of the Village of Port Washington North will hold a public hearing commencing at 7:45 p.m., on Wednesday, August 5, 2015, at the Village Hall, 3 Pleasant Avenue, Port Washington, New York 11050, to consider amending the Village of Port Washington North parking regulations. The proposed change of regulation would change the designation of Morgan Place, Port Washington, New York from No stopping or standing to No parking throughout the street known as Morgan Place, Port Washington, New York which is situated in the Village of Port Washington North. This notice is given pursuant to Section 4-412, subdivision 3(9), of the Village Law of the State of New York.

At said public hearing all parties in interest will be given an opportunity to be heard. Copies of the proposed regulations are on file with the Village Hall and may be seen during normal business hours. Any one needing special accommodation pursuant to the American with Disabilities Act should contact the Village Clerk at least four (4) business days before the meeting.
