2. to adequately safeguard principal;
3. to provide sufficient liquidity to meet all operating requirements; and
4. to obtain a reasonable rate of return.

C. DELEGATION OF AUTHORITY. The Board of Trustees’ responsibility for administration of the investment program is delegated to the Treasurer who shall establish written procedures for the operation of the investment program consistent with these investment guidelines. Such procedures shall include an adequate internal control structure to provide a satisfactory level of accountability based on a database or records incorporating descriptions and amounts of investments, transaction dates, and other relevant information, and regulate the activities of subordinate employees.

D. PRUDENCE. All participants in the investment process shall seek to act responsibly as custodians of the public trust and shall avoid any transaction that might impair public confidence in the Village to govern effectively. Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the safety of
the principal as well as the probable income to be derived. All participants involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions.

E. DIVERSIFICATION. It is the policy of the Village to diversify its deposits and investments by financial institution, by investment instrument, and by maturity scheduling.

F. INTERNAL CONTROLS. I. SAFEKEEPING AND COLLATERALIZATION. Eligible securities used for collateralizing deposits shall be held by a third party bank or trust company subject to security and custodial agreements.

The security agreement shall provide that eligible securities are being pledged to secure local government deposits together with agreed upon interest, if any, and any costs or expenses arising out of the collection of such deposits upon default.
